MANAGER'S MESSAGE

Greetings to the Post 136 Family,

Hope everyone is surviving and navigating safely in this bitter cold weather! Saint Patrick's Day, March 17th, is fast approaching. We will have plenty of Corned Beef and Cabbage, special desserts, and Irish Coffee. Easter comes late this year, April 21st. We'll have our traditional Easter buffet that many of you have come to know and love, from 12:00 PM to 3:00 PM. We'll begin accepting reservations on the first of March for parties of five or more. For reservations please call the Post Manager at 301-345-0136, extension #1.

As you may have noticed, our lunch/dinner menus have been updated. Any feedback about these changes is always welcome. We've had to increase the prices of some of the food items. These changes were made to maintain the quality of the food and the service which you've come to expect from the Post 136 Restaurant. Please encourage your friends and neighbors to try our restaurant the next time they are eating out, or want to try a local inexpensive restaurant.

As I mentioned in the last newsletter, WSSC has required the Post to replace our outside grease interceptor. The bidding process is currently underway and soon will be completed. Once approved by WSSC the work will begin, most likely in early Spring. There should be little or no interruption to Post operations.

I want to thank all of our volunteers for everything that you do for the Post, including two very successful Super Bowl parties—shucking and preparing Oysters Rockefeller, those who worked the front door, and the food servers. Also, I would like to express my thanks and appreciation to the staff and employees for their hard work and dedication in helping to make the Post what it is.

Regards,

Jay Mayock
