

## SUPER BOWL PARTY VOLUNTEERS

Each year Post 136 sponsors a number of events such as the 4<sup>th</sup> of July and Labor Day Picnics, the Veterans Day and Memorial Day Ceremonies and the Super Bowl Parties. At each event, volunteers from our Post Legion Family perform tasks to make each event an outstanding success. But by far, the two Super Bowl Parties held each year in January require the largest number of volunteers and the largest number of hours put into making the Parties successful.

During the morning of each Super Bowl Party, our beloved “Oyster Shuckers” shuck bushels of fresh oysters for the Oyster Rockefeller appetizers served at the dinner, while other volunteers bake the oysters just prior to and during the dinner. Other volunteers prepare the steamed shrimp that are served as part of the filet mignon dinner and others serve food. Yet other volunteers run the many entertainment functions throughout the dinner, and there are those who check in people before the start of the Party.

We want to publicly recognize the following list of individuals who served as volunteers at this year’s two Super Bowl Parties held in January in the Sam Hofberg Banquet Hall.
